

EGB Cumbria

Winter Versatility Competition

To help us through the darker months of Winter, we have come up with a friendly competition that will reward our members and their horses who have a go at different things over the season. This is open to all Full & Associate Members.

You can collect points from any training sessions & competitions between the dates of **1st November 2024 & 31st January 2025**. This award is per horse so if you are entering multiple horses, each horse would need it's own record.

All entries must be submitted by **Sunday 2nd February 2024** so that the trophy can be presented at our awards evening. Rosettes to 4th Place!

Points will be allocated for attendance as follows:

- 3 Points for attending a particular competition/discipline for the first time
- 2 Points for attending a previously attended discipline competition
- 1 Point for attending a discipline for any subsequent competitions of the above discipline
- 2 Points for any lesson or training session
- 1 Point for attending a talk or seminar this can be in person or online but must be live and not a recorded seminar

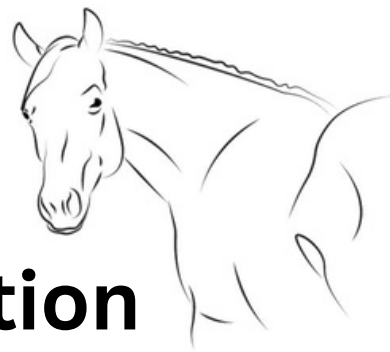

For example: If one horse I attended 2 dressage competitions, and 1 show jumping competition I would get 3 points for the first dressage, 2 points for the second and 3 points for the show jumping competition

Unmounted sessions can only be used ONCE i.e. you will have to decide which horse's record you will be noting it down on, you cannot put it down on both records if you are entering two horses.

You can claim points for any discipline / event including, but not limited to: Dressage, Show Jumping, WHP, Showing, Arena Eventing, Trail or Drag Hunt, Barrel Racing, Horse Agility, Vet Talk or Online Equine Seminar. You cannot claim for attending organised rides, instead you can claim the mileage from this on our Winter Hacker Challenge.
